**ORDER - INACTIVATION OF CHILD
SUPPORT ACCOUNT**

Docket No. _____

Plaintiff Attorney: _____ Hearing Date: _____

I find that Family Court Rule 24 requires the Clerk of Court to conduct a monthly review of all child support accounts paid through the court, and

I find that said Rule directs the clerk to issue a Rule to Show Cause against every obligor more than five (5) working days in arrears, and

I find that the issuance of a Rule to Show Cause in this case would serve no useful purpose because: _____, the obligor, cannot be located; or,
_____ other: _____
_____.

NOW THEREFORE, IT IS SO ORDERED that the above-captioned case be placed on an inactive status so that the clerk will be excused from monitoring compliance with underlying child support orders and conducting a monthly Rule 24 review of the same. A printed copy of the information in this case now on computer file shall be placed in the case file, and information may then be deleted from the computer files. A case removed from active status may be restored upon filing of an affidavit with the clerk of court stating the current address of the obligor within the State of South Carolina.

IT IS FURTHER ORDERED, that the Clerk of Court shall serve a copy of this order upon the payee by first class mail, at (his) (her) last known address.
