MEDICAID – DISABILITY APPLICATION

INSTRUCTIONS: You must return all eight pages of this application form. This form needs to be completed for persons who require a disability determination in the Medicaid application process. This form must be completed by the applicant or his/her representative. If you are completing this application for someone else, complete the Medicaid/FoodShare Wisconsin Authorization of Representative (F-10126) form, or attach legal documentation authorizing you to be that person's appointed guardian or durable power of attorney for finances. Information provided on this application should be about the applicant, not the representative. You must complete and include a signed copy of the Authorization to Disclose Information to Disability Determination Bureau (F-14014). Return this completed application, the Authorization to Disclose Information to Disability Determination Bureau (F-14014) form and if applicable, the Medicaid/FoodShare Wisconsin Authorization of Representative form (F-10126) to the local county/tribal agency. To get these forms, contact your local county/tribal agency or visit the Wisconsin Medicaid's web site at dhs.wi.gov/em/customerhelp. Do not use this form for reconsiderations/fair hearings or re-determination cases.

Personally identifiable information will be used only for the direct administration of the Medicaid program.

Providing or applying for a Social Security Number (SSN) is voluntary; however, any person who wants Wisconsin Medicaid but does not want to provide their SSN or apply for one will not be eligible for benefits, pursuant to Wis. Stats. § 49.82(2). SSN information will be used for administration of the Wisconsin Medicaid Program. An applicant's SSN permits a computer check of applicant's information with government agencies such as the Internal Revenue Service (IRS), Social Security Administration (SSA) and the Department of Workforce Development. In addition, the Department will match the applicant's name and SSN with information provided by health insurance carriers to determine if the applicant has other health insurance. The applicant's SSN will not be shared with the United States Citizenship and Immigration Services (USCIS).
