*Providing or applying for a Social Security Number (SSN) is voluntary; however any person who wants Wisconsin Medicaid but does not want to provide their SSN or apply for one will not be enrolled in Medicaid, pursuant to Wisconsin Statutes s. 49.82(2).

SSN information will be used for administration of the Medicaid program. Your SSN permits a computer check of your information with government agencies such as the Internal Revenue Service (IRS), Social Security Administration (SSA) and the Wisconsin Department of Workforce Development. In addition, your name and SSN will be matched with other information provided by health insurance carriers to determine if you have other health insurance.
