

**EXHIBIT 8**

**MCKESSON'S LIST OF INTENDED TRIAL WITNESSES**

McKesson identifies the following witnesses whom it may call live or by deposition at the jury trial regarding infringement, damages and willfulness. Because the Court has directed that TriZetto's equitable defenses be tried to the Court after the jury trial and because such bench trial has not yet been scheduled, McKesson reserves the right to identify other witnesses who it may call live or by deposition at said bench trial in accordance with the schedule to be set by the Court. The list set forth below is not a commitment that McKesson will call any particular witness at trial or a representation that any of the listed witnesses are available to appear or will appear at trial. With respect to TriZetto's witnesses, McKesson reserves the right to introduce testimony through deposition or live examination as appropriate. McKesson also reserves the right to call any witness called by TriZetto, and to revise this list in light of further rulings by the Court or any other changed circumstances.
